Beta Agreement Kit Quickstart

Thanks for downloading Centercode's Beta Agreement Kit. Our goal in developing this kit was to offer a useful resource for companies with limited knowledge of the legal aspects of beta. This kit contains:

Quickstart.pdf

This document, outlining the contents of the kit.

Beta Agreement Companion.pdf

The companion document provides in-depth details covering each agreement, an FAQ answering common questions regarding beta legal agreements, and an overview of Centercode.

Template - Beta Test Non-Disclosure Agreement.doc

A template for a beta-specific Non-Disclosure Agreement (NDA), focusing on participant confidentiality requirements in a beta test.

Template - Beta Participant Agreement.doc

A template agreement focused on participation and other participant requirements and obligations within a beta test. This template is intended to be used **in addition to** an existing NDA (ours or your own).

Template - Beta Test Hybrid Agreement.doc

A template that covers **both** non-disclosure and participant requirements. Note that if this document is used (recommended), the other two templates are not required.

The Fine Print (Important Disclaimer)
All materials in this package have been prepared for general information purposes only to permit you to learn more about beta testing. They are not intended to convey or constitute legal advice and are not a substitute for obtaining legal advice from a qualified attorney. Information contained herein and in the accompanying documents is offered as-is without warranties of any kind, may not be current, and is subject to change without notice. You should not act upon any such information without first seeking qualified professional counsel on your specific matter.
